Ciao Denise,

a seguito delle verifiche fatte in particolare in Albania da Elton con le Dogane, sembra non ci siano problemi per procedere con il contratto che avete impostato.

Come ci è stato indicato, i macchinari dovranno viaggiare con il sistema di triangolazione, con una packing list e fatture indicanti il valore del bene oggetto della spedizione. E', quindi, necessario che i fornitori lo sappiano in anticipo e vengano informati su questo punto. Per eventuali dubbi, potete comunicare e confrontarvi con Elton che ha parlato direttamente con le Dogane.

Naturalmente, tutti (fornitori e cliente) devono sapere che gli originali dei documenti che accompagneranno le spedizioni (fatture, bolle di trasporto, etc..) dovranno essere poi inviati a Malta, per essere qui conservati e custoditi presso gli uffici di SIEN (SIEN sarà il soggetto sotto controllo da parte del dipartimento VAT e Dogane maltesi per le operazioni di triangolazioni).

Saluti
Daniela
